On behalf of The Business School at Centennial College, I commend you on your academic performance during the 2024 academic year. In The Business School, recognition of academic excellence is given annually to students who have achieved a term grade point average (GPA) of 4.0 or higher over two consecutive semesters.

Through your hard work and dedication to your studies you have achieved this milestone.

Academic performance at this level reflects an outstanding commitment to learning, and I trust the success you have achieved thus far will become the foundation for even greater accomplishments in the future.

Once again, congratulations.

Sincerely,
